Roll up for the mystery tour —
Roll up, that's an invitation,
Roll up, to make a reservation
Roll up for the mystery tour —
The magical mystery tour is waiting
to take you away.

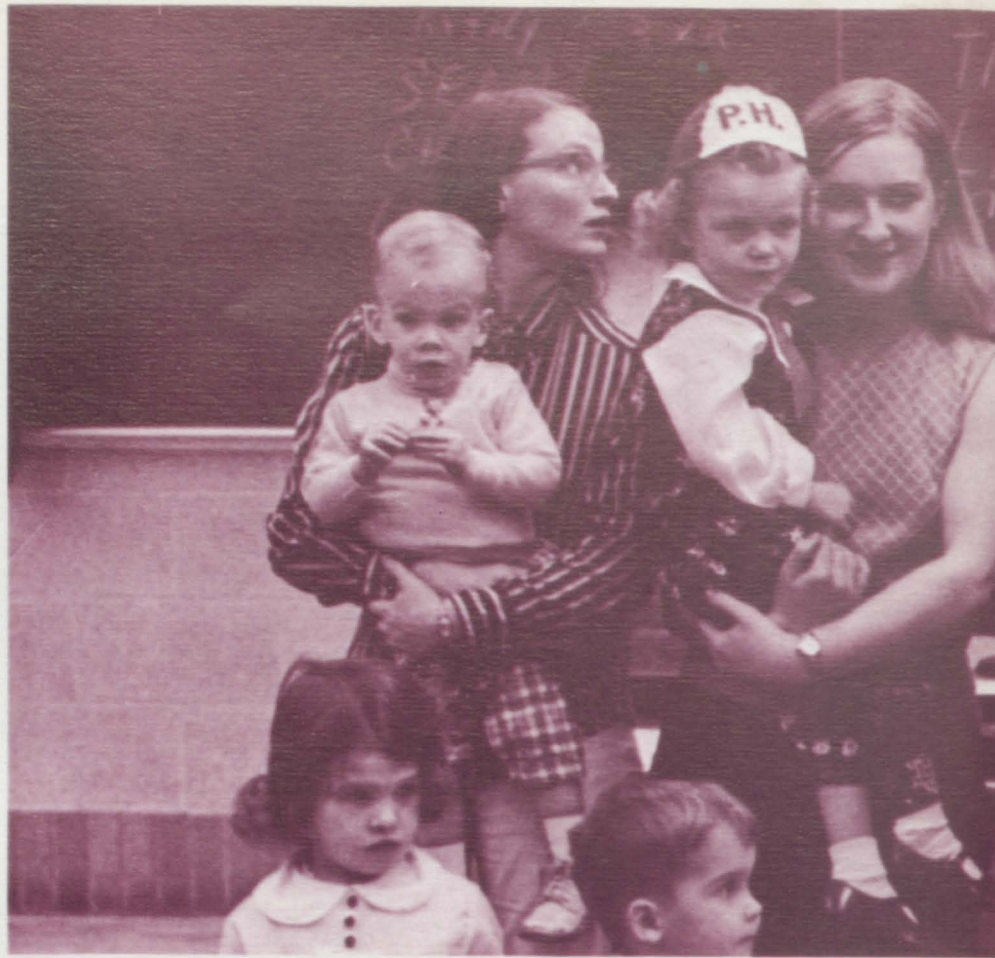

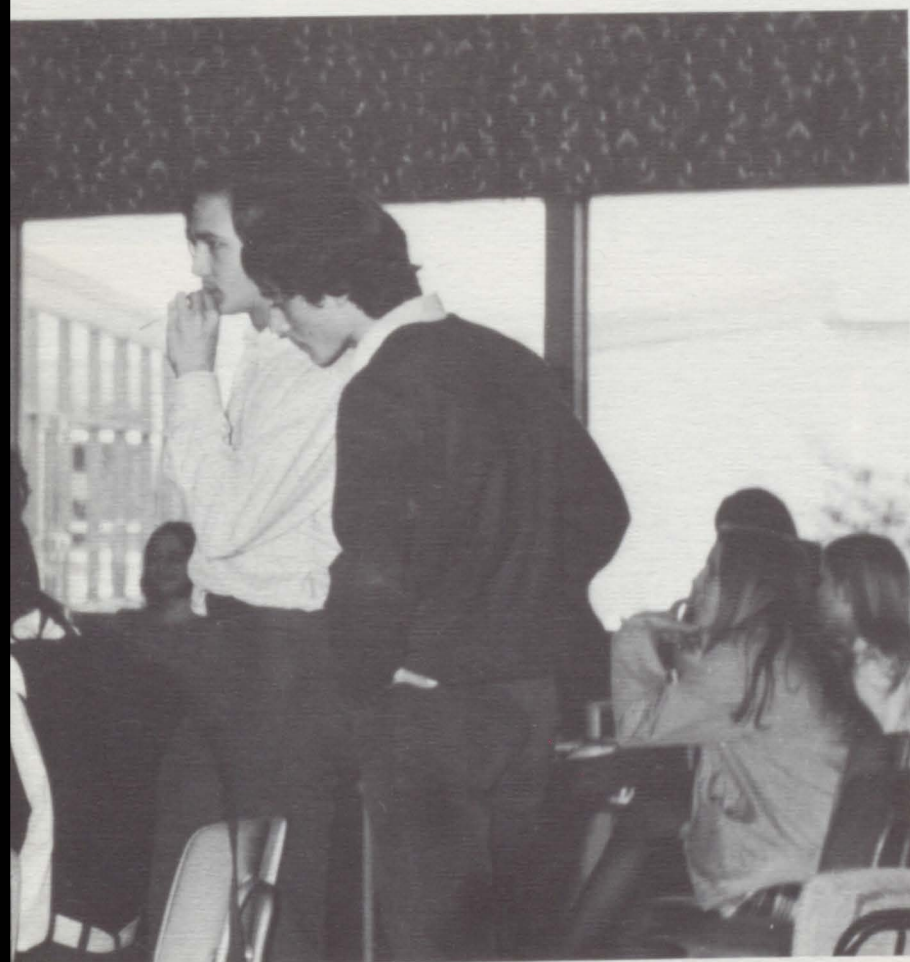

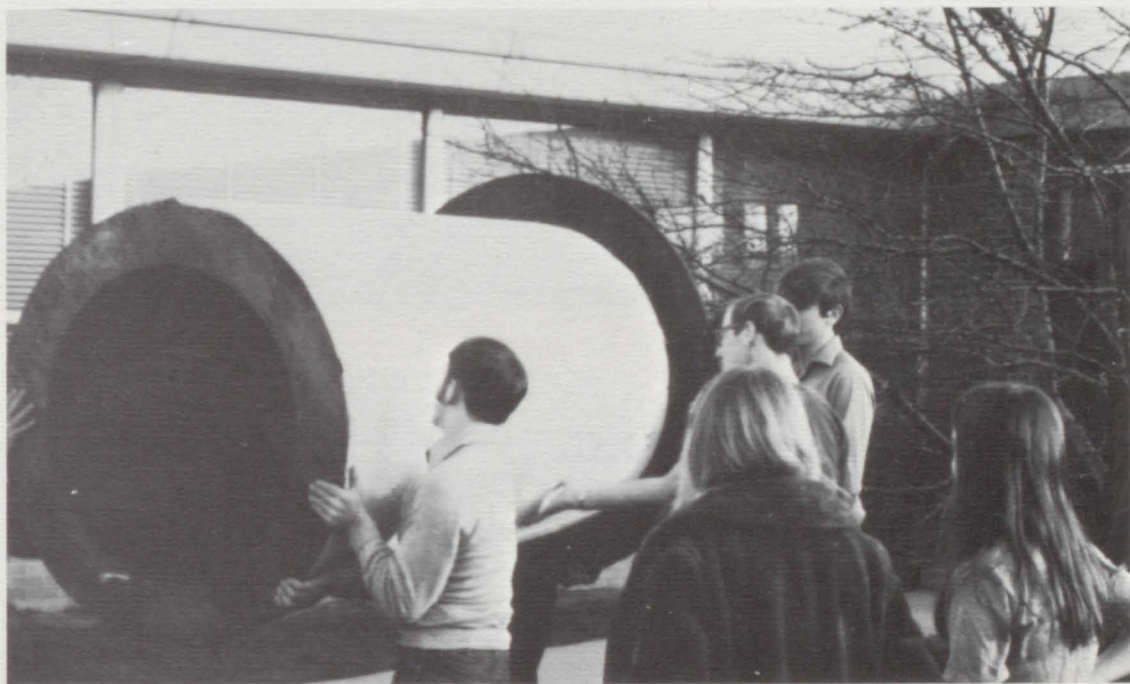

Any tour naturally begins and ends with individuals of different feelings, ideas, patterns. And it's each one of these individuals that comprise the make-up of a school, a school where every individual strives to quench his own thirst for knowledge. Some drink greatly, others only in sips. But it matters not how much the individual drinks but how much is actually absorbed. And with each individual it's different because each one is different — each one has his own mood.

As in the past, the 1970 Homecoming was the highlight of the school year. The air was full of fun and excitement leading up to the big day. It all began weeks before when all of the classes and many clubs began work on their floats. Excitement mounted as the moment of the parade, and later the game, arrived. Pictured from bottom left moving clockwise are the queen and her attendants; Senior attendants Gayle Williams and Kathy Heyer; the senior's cowinning float, "Beany and Cecil"; Chris Albert, Homecoming Queen; the cowinning junior float, "Sylvester and Tweety"; and several Big Reds in the Homecoming parade.

The freshmen, participating in their first Homecoming, made two fine choices as they selected Debbie Pendrock (BELOW) and Cheryl Winfield (RIGHT) to represent their class on the Queen's Court.

The sophomores likewise elected two enthusiastic members of their class, Jean Andrews (ABOVE) and Barb Beattie (RIGHT).

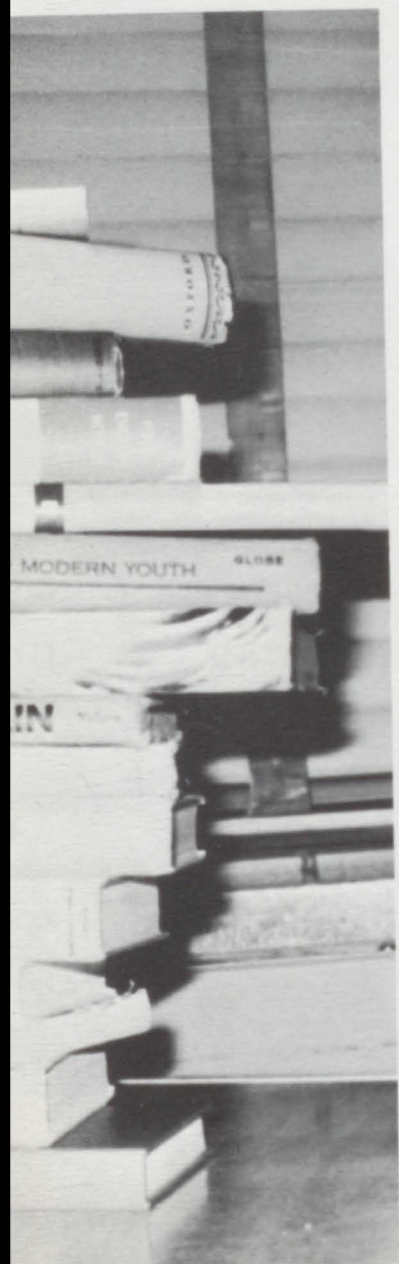

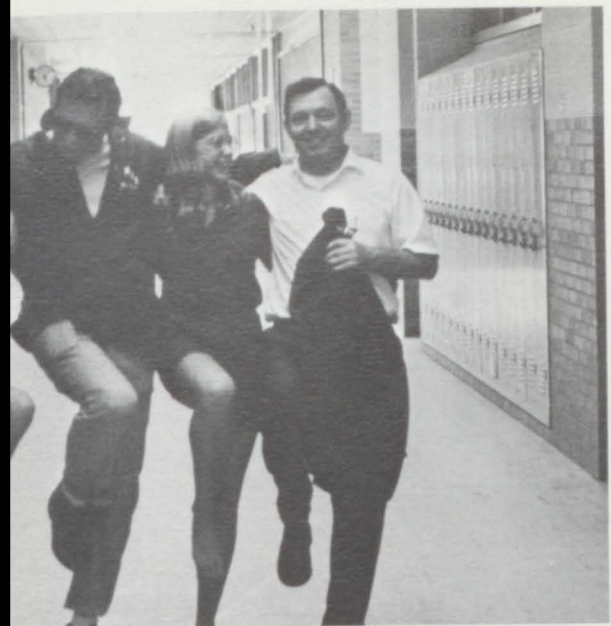

The juniors, in their last Homecoming as underclassmen, made two fine selections when they chose Jenny Hunt (RIGHT) and Marsha Dinkins, (BELOW) for the Queen's Court.

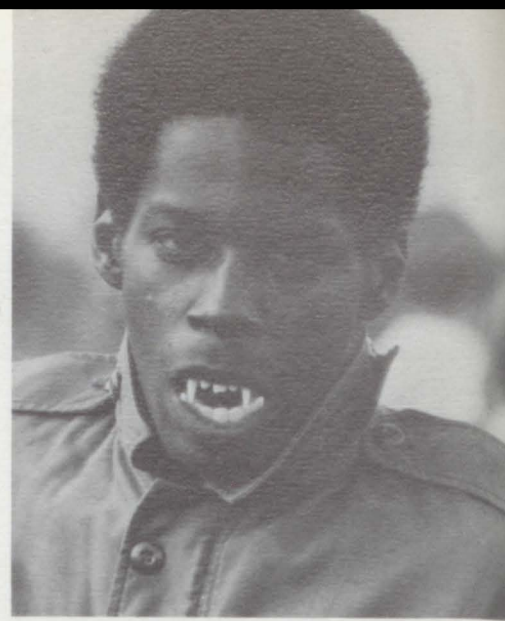

The beginning of school brings many things to mind — mainly the thought of getting out of school. Although a new school year made many feel like dancing (TOP), it also brought headaches with the thought of all those books and hours of study (CENTER). And no matter who entered our hallowed halls they were always given a warm welcome by our friendly parking lot attendant, Mr. "Mel" Larcome, shown at FAR RIGHT.

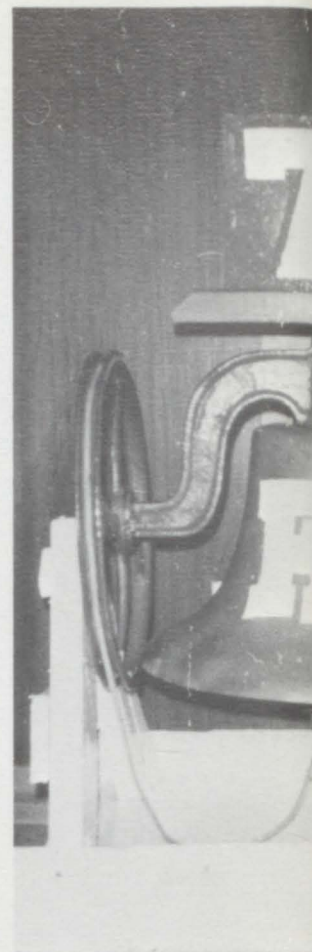

Pep Assemblies also played a significant role in student life. Not only because it gave a temporary reprieve from the boredom of classes but also because it gave the students a chance to yell off their frustrations. (AT RIGHT) Hillary Thigpen shows how fired-up he is after one of the pep assemblies.

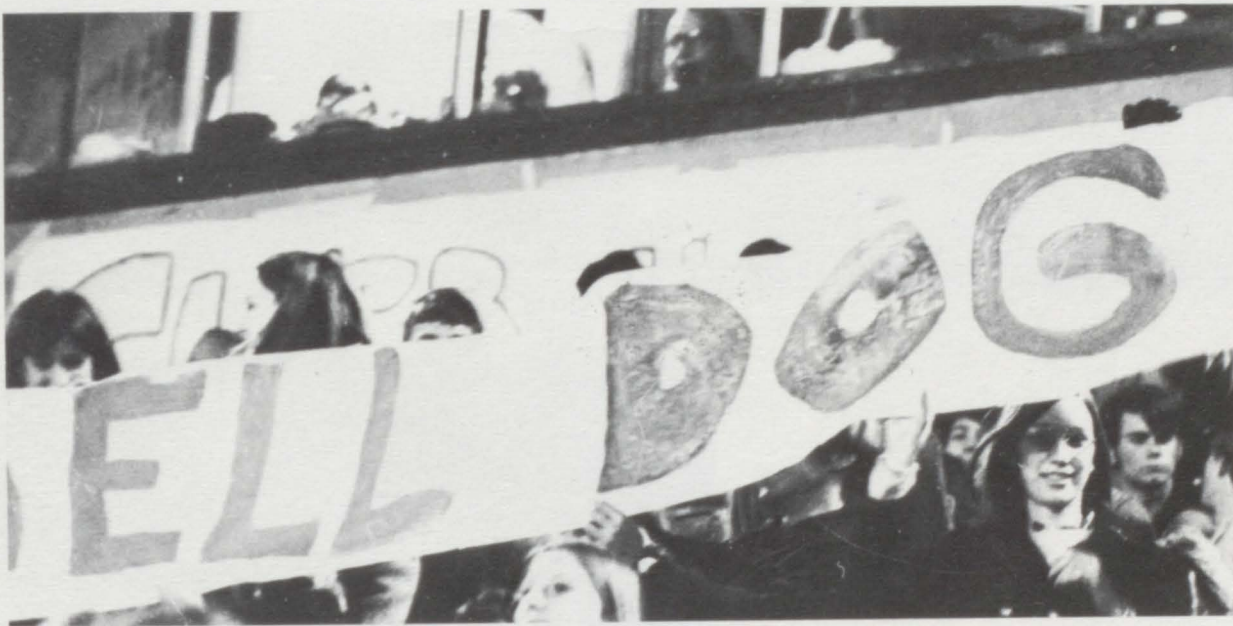

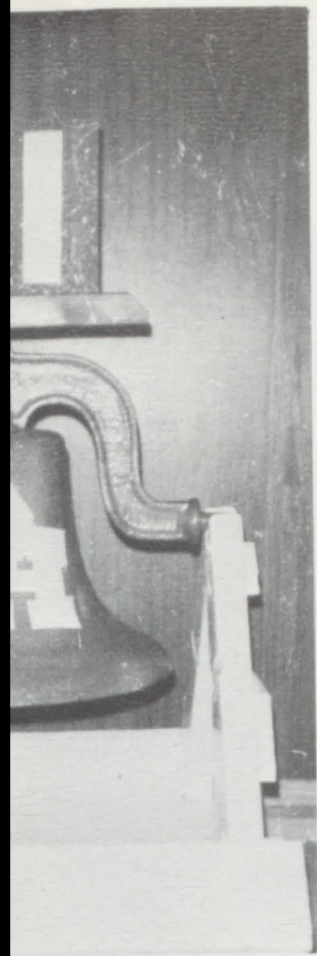

The all-school Tug-of-War was also a big success. Sponsored by first semester Student Government, the event proved that students today can still have good clean fun.

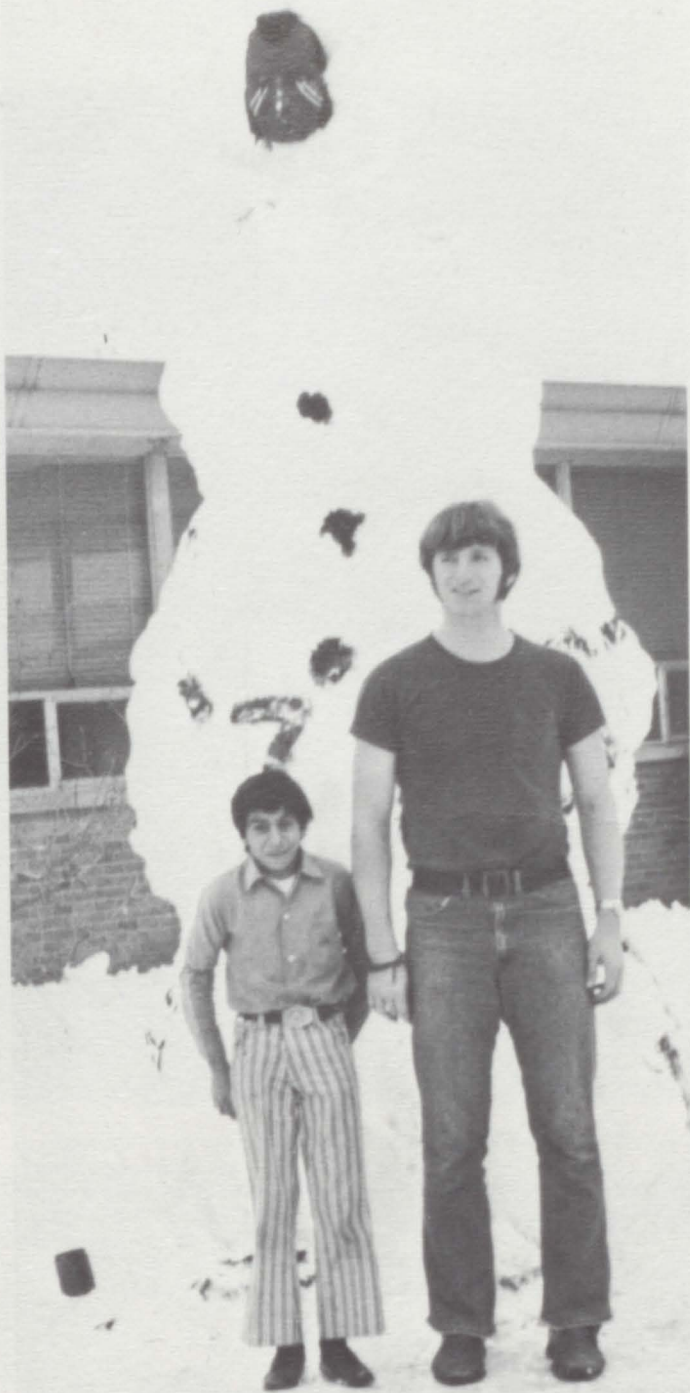

The Port Huron — Port Huron Northern football game was one of the more exciting highlights of the school year. The Seniors sparked a keg of spirit by "T.P.ing" Northern and then stealing the disputed victory bell. Although the Big Reds out-did Northern in spirit, crowd size, and half-time activities, they couldn't quite outdo them in the game. RIGHT; Big Red Mark Limberg laughs at one of the banners held by P.H.H.S. fans. (banner shown at FAR RIGHT).

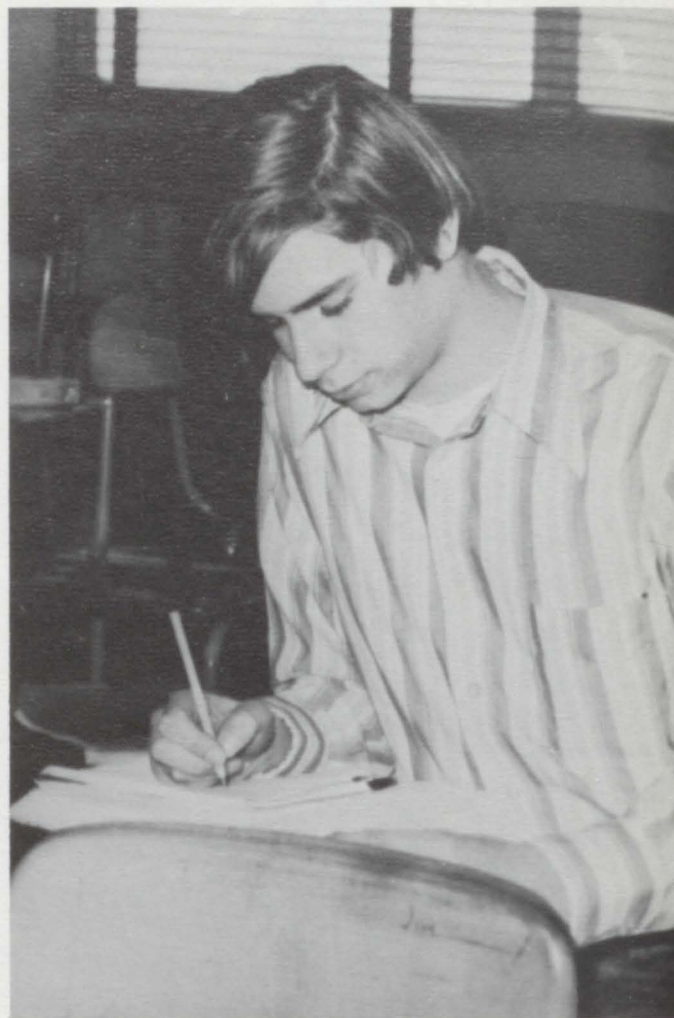

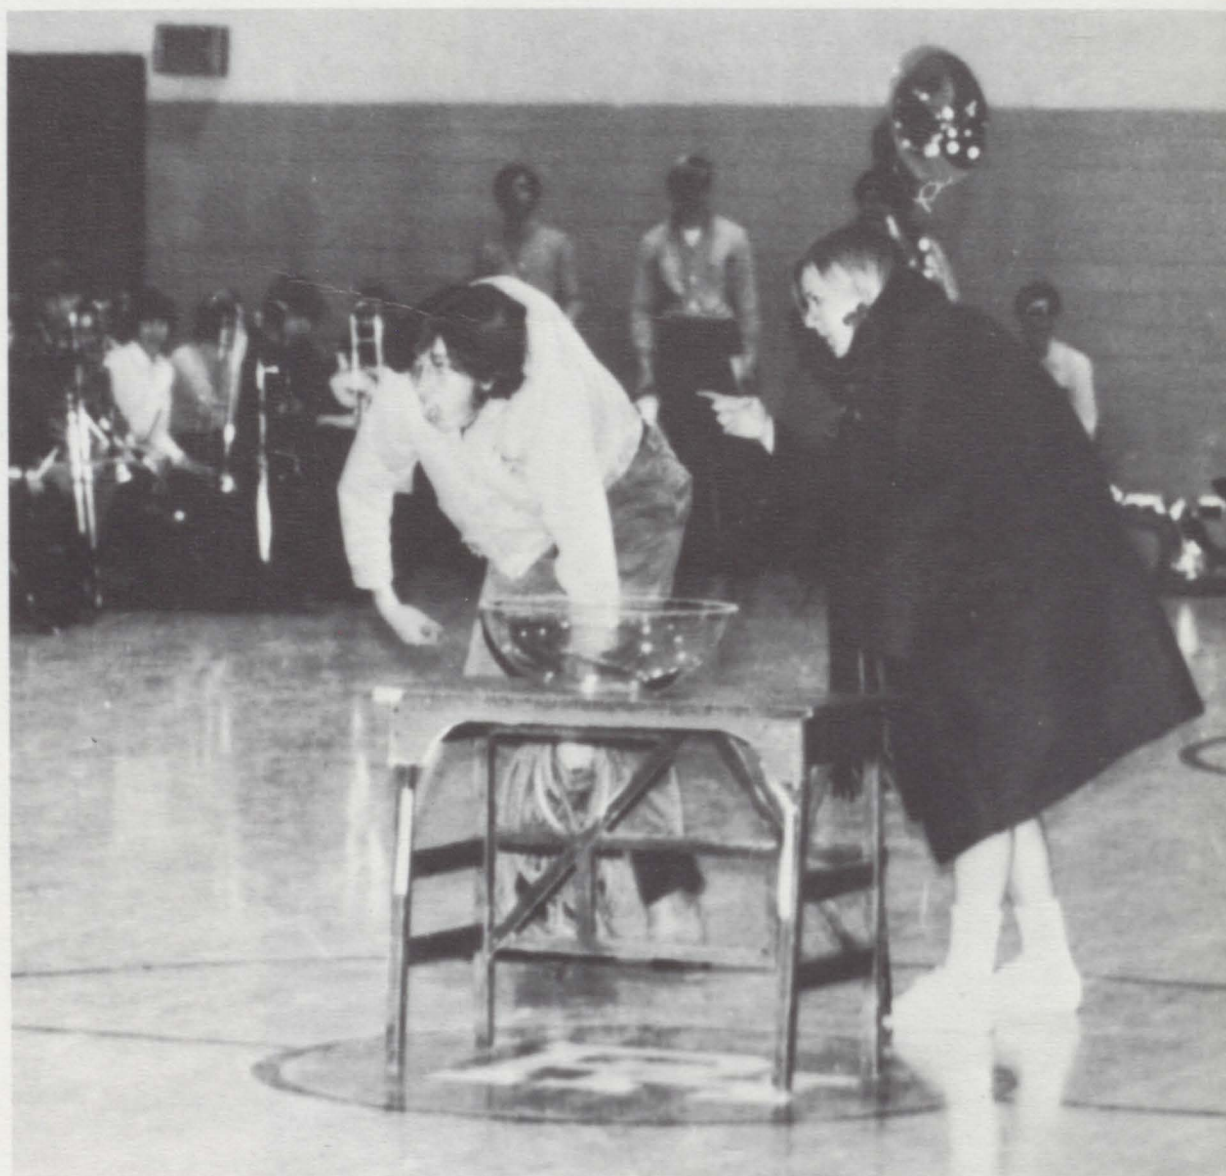

Winter also set the scene for many different activities within the school. One such activity was the Choir's Christmas assembly, pictured (AT UPPER LEFT). (BELOW) that, Principal Chet Wydrznski tells Santa what he wants for Christmas. (AT CENTER) you see how creative some students can be — this twelve foot injun appeared in the courtyards after one weekend of heavy snow. (ABOVE) Senior Bob Halley shows his artwork for the annual Christmas door decorating contest.

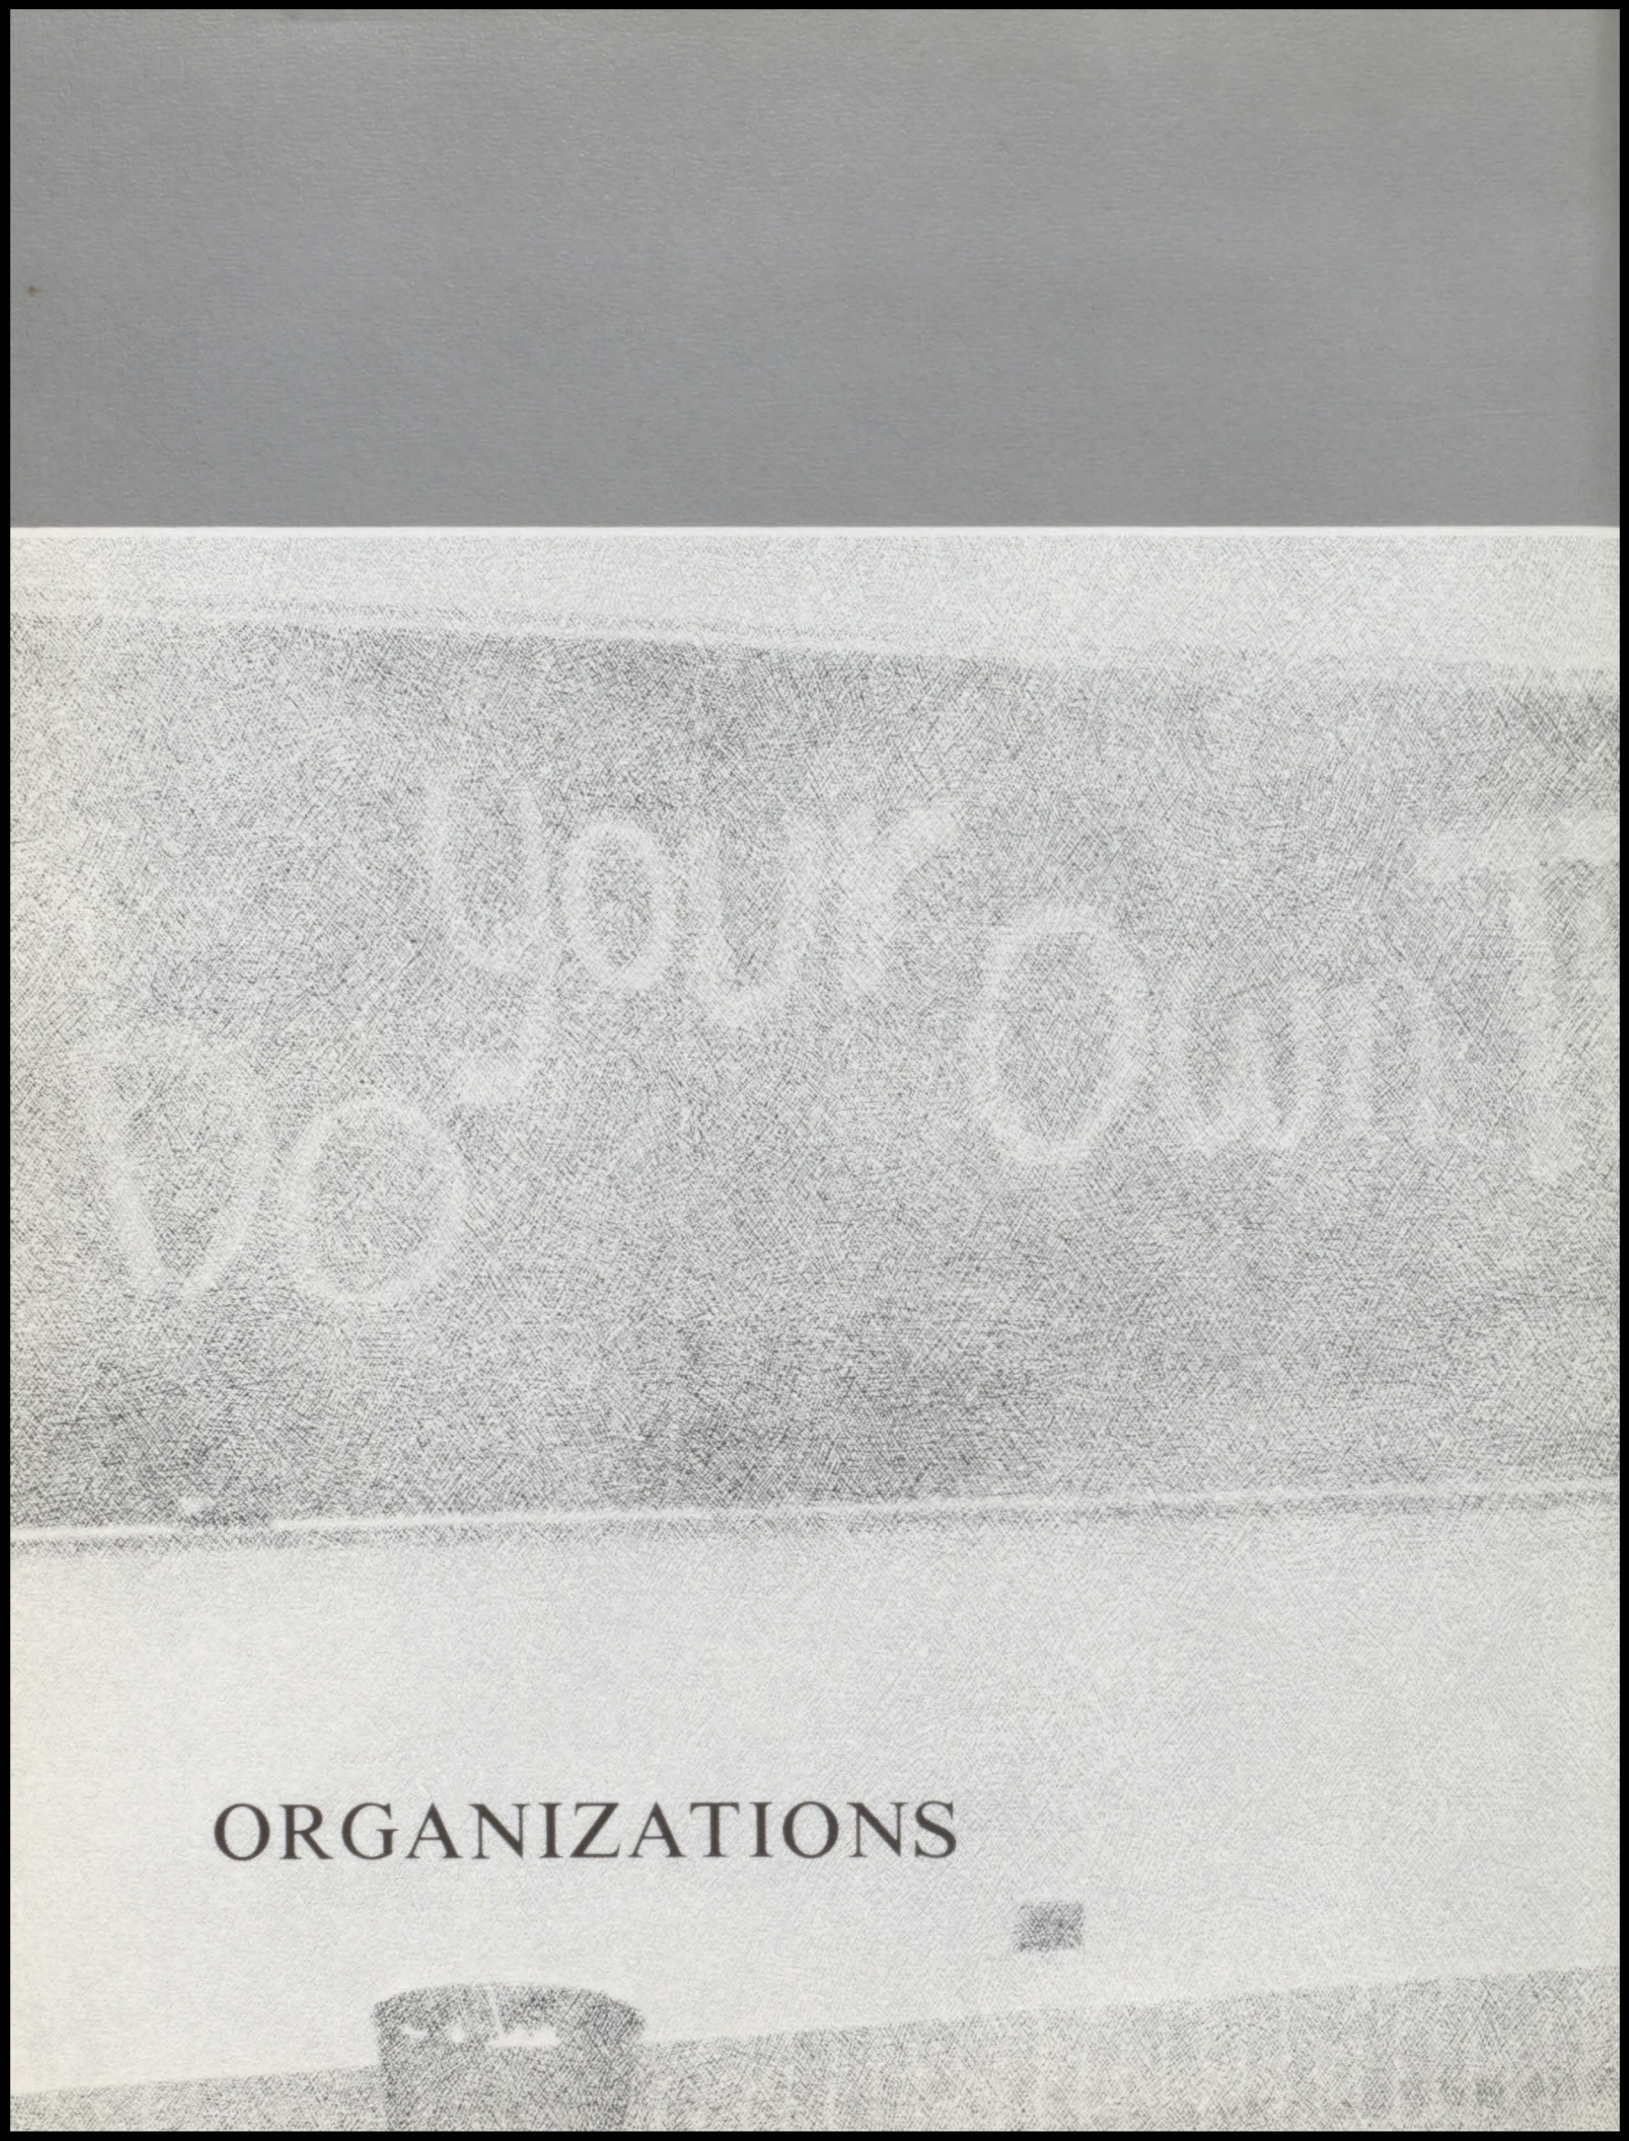

Exams were something else students had to look "forward" to. Although many Seniors were exempted from their exams because of a three-point grade average, the majority of the student body was subjected to them. On this page you see some of the different stages of exams: the burden of taking home books; the seriousness, solitude, and frustration of studying; and finally the relief and relaxation of students when those three days of testing are over.

B.N.W. — Beat Northern Week — and that's just what we did. The pictures on this page only show you a little of what happened that week — the spirit and pep generated can't ever be felt in these photographs. Beat Northern Week, initiated by the Action Club, was a week of excitement and activities for all students. Port Huron High spirit was at a climax for the year. Below you see some of it in the pep assembly which started the week (BELOW AND LOWER RIGHT) and in the faculty basketball team which defeated Northern's faculty (UPPER RIGHT). Big Reds came through again when the wrestling team defeated the Huskies for the second time. Even though we lost the basketball game it was a victory spirit-wise. With fifty-six banners plastered over the gym walls and three-fourths of the crowd P.H.S. fans, it was still a triumph for Northern Week.

There is a blue one who can't accept the green one
For living with a fat one trying to be a skinny one
And different strokes for different folks

But different strokes for different folks

The Student Depicts Story of 1970-71 at P.H.H.S.

For the first time students enrolled in the Yearbook Course received full credit. Although the staff was off to a slow start, the entire book was finished by Feb. 24. The four sophomore photographers, headed by Rick Currie, took most of the candid pictures used in the book. Most of the advertisements were sold by Aleine Headd, Debra McJennett, and Rick Currie. Plans for a spring supplement were being made as the final copy was being completed.

I can see by your coat, my friend,

There's just one thing I've got to
know, can you tell me please, who won?
Crosby/Stills

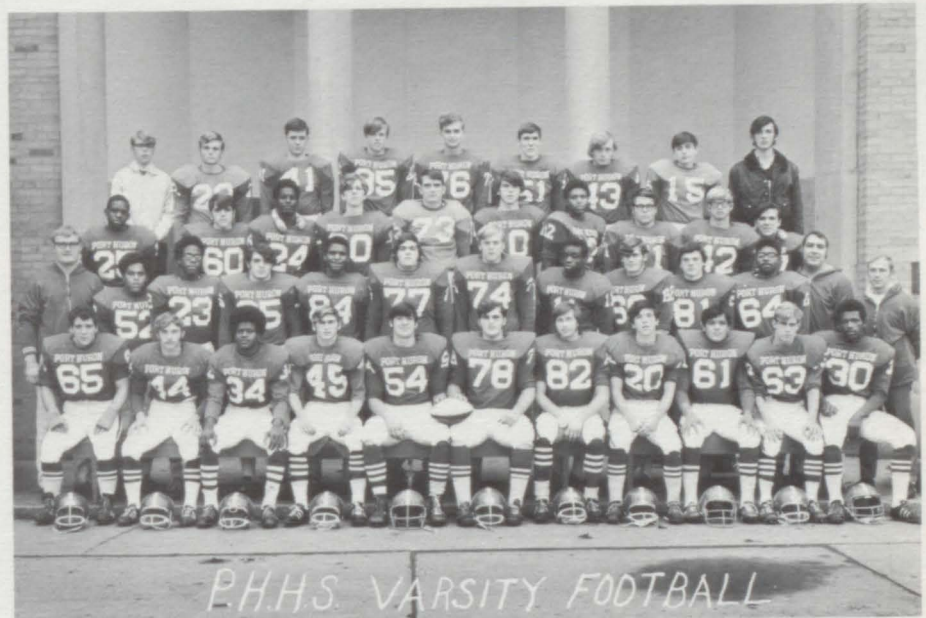

RIGHT — The Big Reds huddle before their game with Roseville. BELOW — Dick Carrier gains yardage around end against Roseville.

The BIG RED'S varsity football team suffered through another tough season this year, winning only one game while losing eight. Several of these games were so close that they could have gone either way. Had the REDS gotten more breaks they might have seen more victories. One of these tight games was the Homecoming when Roseville scored with less than two minutes left to play. And with luck on Roseville's side they took the victory.

The BIG REDS made a lot of mistakes this year that cost them games, but with a year of experience under their belts, they are looking forward to next year.

The J.V. football team, in their second year together, fought hard and played good games despite winning only one game while losing six and tying one. A big lift for the team was a 6-6 tie with Mt. Clemens, E.M.L. champs. Although their record wasn't overly impressive, the boys gained valuable experience which they'll be able to use in their future years as Big Reds.

Harriers Win E.M.L. Third Straight Time

Under the direction of Coach Richards, the powerful Cross Country team stormed to their third straight E.M.L. Championship, winning every meet except one. Senior, Tom Kreutzier; took first in every dual meet, followed by Junior, Robin Diller; who captured second in the league meet.

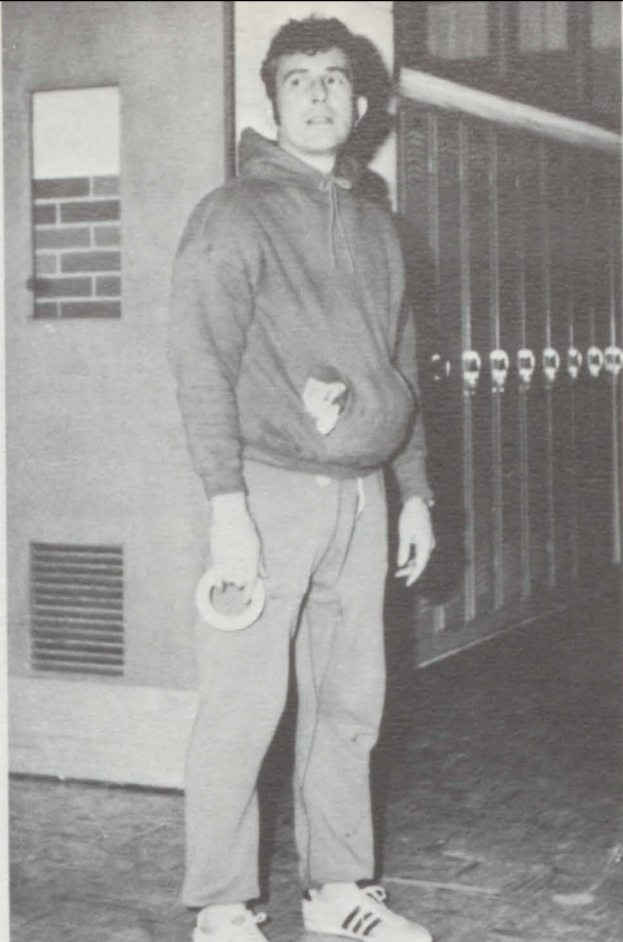

A welcome addition to the team was Freshman, Pete Maxwell. With strong will and hard work Pete won his letter in his first year. These men, along with the rest of the team, each played a part in bringing Port Huron High another memorable Cross Country Season.

The champion harriers are introduced at the Awards Assembly.

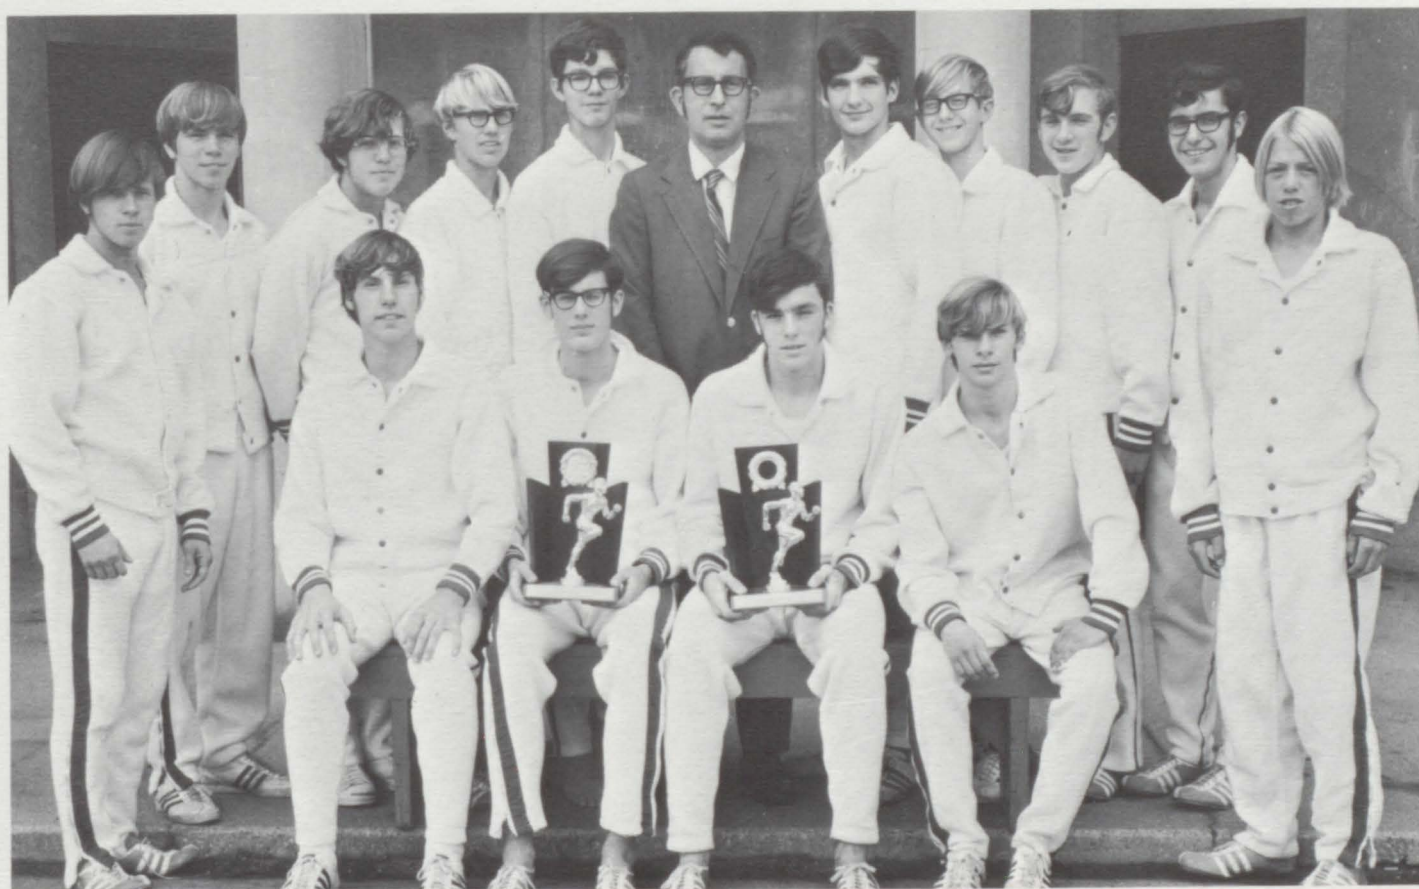

The Big Reds ready themselves at the start of the Pontiac Northern Invitational Meet held on a grueling 2 ½ mile course at Oakland University. Later in the season the Big Reds returned to this same hilly course for Regionals and finished a solid sixth place overall.

Coach Richards keeps a sharp eye on his charges during practice.

Jody Diller and Pete Maxwell "gut it out" as they battle for position.

Varsity, J-V Basketballers Regroup for Next Year

This year's basketball teams put forth a tremendous amount of effort despite what the records show, and even in the face of defeat, Big Red fans never lost hope. Next year's varsity team will suffer greatly without the help of Seniors Dave Schultz, Jim Stanley, Dave Berish, Don Fowler, and Jim Early, all of whom will be lost to graduation. The junior varsity team, whoever, had one of the better J.V. records in recent years. Many of the team members look like promising candidates for next year's varsity team.

Grapplers Post Victorious Season

Pin! Pin! Pin! Pin! was the only word the Big Red Wrestling team knew. The team gave the results of this word at all practices and matches. The victorious year was to be seen only through many hours of hard work put in by the team. Team it was, all of the team worked as hard for their brother to win as well as themselves. All were joyous when a victory was announced.

1970 Thinclads Break Many School Records

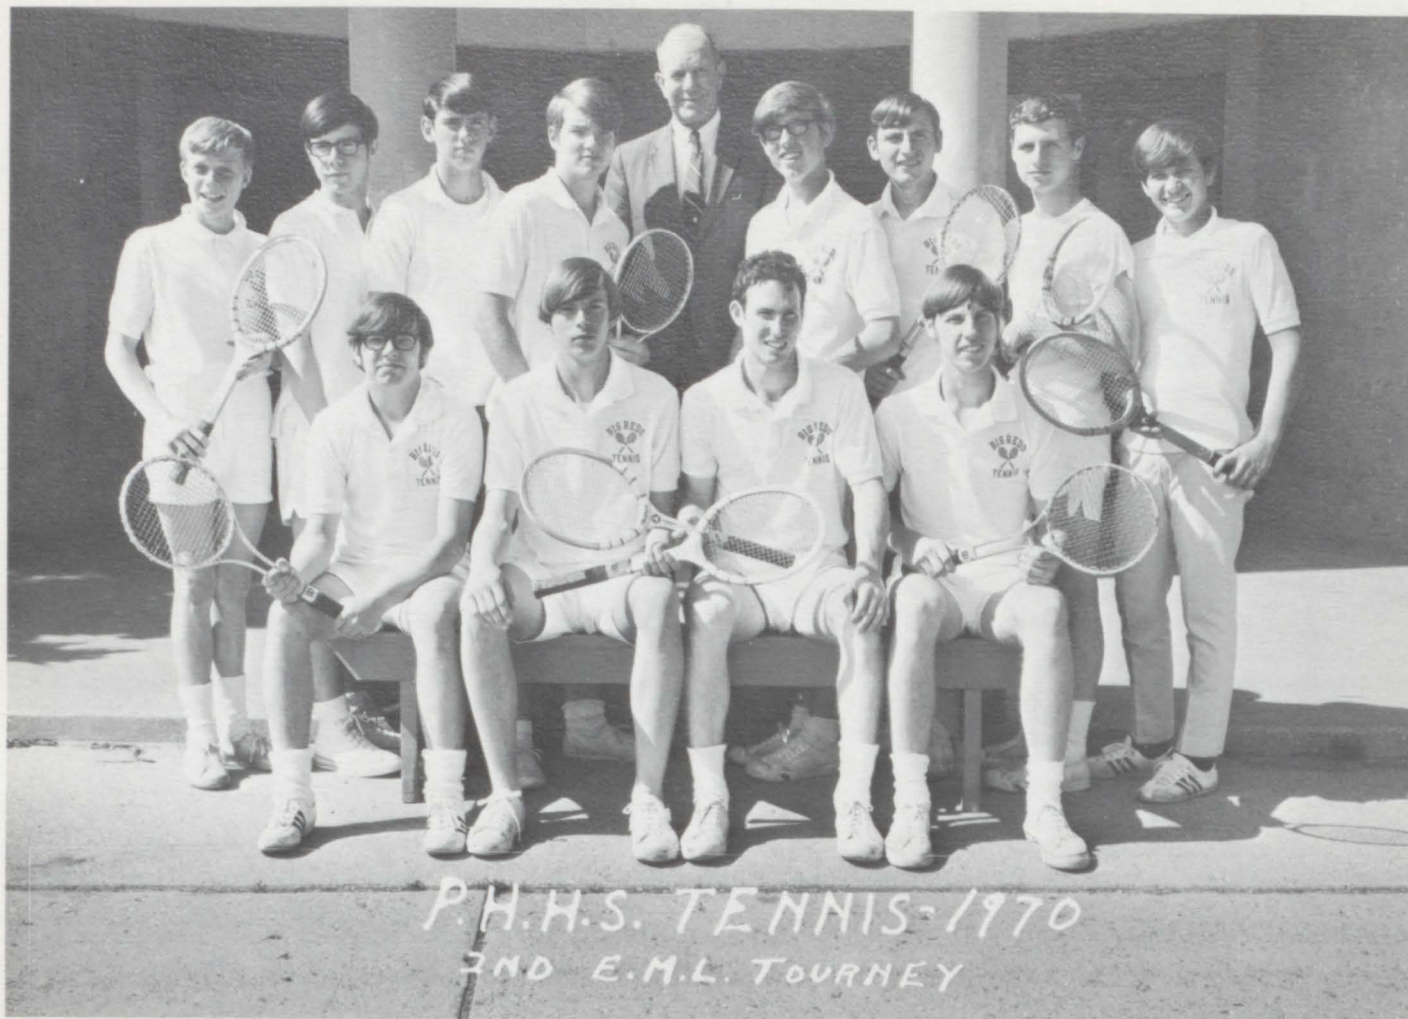

Victim after victim fell to the 1970 Big Red Trailmen as they racked up another undefeated season. This year the team captured first place honors at the Central Michigan University relays, the E.M.L. meet, and the Regionals. They came out placed fourth in the state.

Leading the charge was State Champion 440 runner Tim Pinnix. Tim, pictured above, was undefeated this year and broke several records with his fine running. Tim was also a member of the Big Reds' record breaking mile relay team. As if that's not enough, he also holds the 800 yard record which he set in 1969. His time of 48.6 at Mt. Clemens was only .3 of a second off the state record.

Other outstanding performers were Fred Whitican, who holds the high hurdle record and firsts in the E.M.L. and Times Herald meets; Larry Collins with a record high jump of 6'4 $\frac{3}{4}$ "; Mike Forbes 12'9" in the pole vault (another record); a two mile record by Tom Kreutziger with 9:56:2; Dick Carrier who tied the 100 yard dash record with a time of 9.9 and broke the 220 record with a 21.3 time; and Bob Johnson, sixth in the state as a freshman in the long jump. This year's team scored more points, 937 $\frac{3}{5}$, than any other Big Red track team in the history of Port Huron High School.

UNDERCLASSMEN

Boom! was the sound heard by the freshmen as they passed through the doors of the hallowed halls of Port Huron High School in September. Confusing schedules and overcrowding in the halls put stress and strain on the faculties of over 500 1970 initiates. Among them were their leaders who are pictured adjacent. From left to right are Kathy Haas, treasurer; Debbie Berish, secretary; Mary Thomas, vice-president; and Ronald MacDonald, president.

Martha Smith gives Mary Schneider a hand in the tug-of-war.

The Sophomores in their second year of high school overcame the initial shock of shyness. Their hardwork and enthusiasm during Homecoming showed admirably on their float "The Mouse that Scored." The rest of their year was filled with the activities and antics that only silly sophomores could sponsor.

One of the achievements of the Sophomore class, under the sponsorship of Mr. Charles Lutz, was the winning of the first pep jug of the year.

Officers elected by the class are, from left to right, Debbie Enright, secretary; Fran Rush, vice-president; Steve Slade, president; Bill Harder, treasurer.

A sophomore student plays the role of teacher for an hour.

The Juniors had an all around great year. Their float tied for first place, Tweety and Sylvester. Their fabulous Christmas Dance with "My Friends" and "Adams Street" packed the house. Also, the Juniors were proud to win the canned food drive, turning in 455 cans. This year's J-Hop was one everyone will remember.

The Tale of our Candy Sale

Now that our senior year has come and gone, we can look back and recall the memories of our many activities. The success of our candy sale made us the richest class in the school. Although our float "Beany and Cecil" tied for first place with the juniors, everyone knew which was the best. Planning the senior play took work but it was successful. Ordering of announcements, measuring for caps, and talking to counselors about future plans made the seniors realize that an end was near. The successful senior prom and baccalaureate all ultimately ended in commencement.

Fellow Seniors,

The accomplishments of our graduating class of 1971 have been unique and unparalleled. The trip to Cedar Point, the Senior Candy Sale, Senior "Skip Day," the trip to the Bahamas, and the pilfering raids on the lumberyard all helped to bring our Senior Class together and provide unity and friendliness to the Halls of P.H.H.S. Yes, we also had our Floats, the J-Hop, our Senior Play, and our share of pep jug victories; we called ourselves "mighty" and "great" and indeed we were.

The many golden memories from our good times and accomplishments together will forever be ours, and hopefully shall serve as examples for achieving better relationships in the years to come. Let us also seek to create the spirit and friendliness that was so much a part of us as Seniors. And along that "long, long, road," don't let the "load weigh you down at all," rather strive to treat all men as your own, as your "brother."

Best Wishes,

Mark Pochodylo
